(i)Moving Forward

The Clerk has received the enclosed request for funding;the Clerk has received somepartial financial information and the same is enclosed.The organisation has not previously received any funding from the Council.

“We wish to apply for Councillor-held grant money, with the following information.

We are a non-profit Social Community Group, named “**Moving Forward**”. It was formed 3 years ago, by our Founder, Val Francis, and now consists of **22** senior citizens, widows and widowers and is a social group. Val and her husband, Graham, have very recently left, leaving those 2 places vacant for new members.

We would appreciate any help with funding for social activities, ‘day trips’, visits to places of interest, events, etc.. Our current income is via modest member subscriptions, which pay for refreshments, venue hire and a few only such trips. We have, very recently, secured grants from Gorseinon Town Council, and the Councillor for Gorseinon. Any other grant funding would enable and encourage us to arrange more activities for our members.

I can provide you with Bank details for any funding, should we be considered eligible for Councillor-held monies.

We meet fortnightly (Mondays) at **Ty Newydd, West Street, Gorseinon** (rented from the Gorseinon Town Council) to meet up and chat with friends, enjoy refreshments, hold quizzes and discuss common problems facing our age group 60s to 88, who are bereaved local seniors.

We organise guest speakers on issues of particular concern or interest to us.

On Meeting Mondays closest to a member’s (or members’) Birthday we buy a cake, individually bring cards, and celebrate their Birthdays. Funding could, for example, also afford cakes of higher quality.

The Meetings are very eagerly looked forward-to by all our members, due to the camaraderie and types of activities we engage in. So much so that we have very recently agreed with the Town Council to extend our meeting hours from 1hr 30mins to 2hrs 30mins. We all agree that the group, and its activities, help in warding off loneliness and greatly improve our sense of well-being and ‘joie de vivre’.

Our members are all senior citizens, residing in the Ward, mainly Gorseinon, with some from Pontardulais, Penclawdd, Grovesend, Cockett, Penyrheol and Llwehr. Thank you for your help.

Kenneth A. Wyatt, Secretary, “Moving Forward”

Funding statement-

“I have only been the secretary of the group since 7th January 2019, the Founder stepping down and leaving the group for personal reasons. Prior to this year the group had not had a Business account. I was requested to set one up, which I managed to do at the end of January 2019. Would a copy of the account as it stands be sufficient for your needs? We are a non-profit social group and have no debts.”

(ii) 360 Llwhwr Squadron

Members may recall that the Council had provisionally agreed to grant the Squadron £300.00 but with conditions as set out below-

“The Clerk’s Report was **NOTED** and it was **RESOLVED** to make a Grant in the sum of £300.00 subject to the proviso that a significant part of the funding would be utilised towards the provision of a trumpet so as to enable a bugler to be present on the occasion of the Council’s Remembrance Services.”

The Squadron have replied as follows-

“Dear Sir/Madam,

I would like to thank you for your very kind offer of a grant with which to promote our training of young people within the locality. I understand that you would be interested in supporting us towards our goal of reintroducing the cavalry trumpet to our marching band. I apologise for the delay in getting back to you but it was very important for us to consider the conditions attached to your generous offer. It may be of benefit if I explain our position further.

Our aim is to have a few cadets suitably trained to perform the calls for remembrance duties, however, we already own a Bugle for the occasion which was presented by Mr Charles Penny . We have several battered old trumpets in need of repair for practice, and we need to purchase additional mouthpieces.

Our other obstacle is that we cannot recruit based on musical aptitude so we are restricted with a varied skill set. We were hoping to utilise any left over funds from the above use to bring in a professional brass tutor to help us reach our goal and the cadets their peak potential.

I hope this clarifies why we cannot "guarantee" buglers but, with your help, we can "strive" to provide.

I would be grateful if you could let me know if this is still acceptable as we are keen to proceed with the tutor.

Thank you for your attention with this matter and I look forward to hearing from you at your earliest convenience.

Kind regards, Sharon Thomas”

Members views are sought as to whether the Grant of £300.00 should now proceed.

4-Keep Britain Tidy

The Clerk has received the following e mail and Members views are sought as to whether they would wish to participate in a “clean up event”

“**Great British Spring Clean | 22 March - 23 April 2019**

It's not long to go until the Great British Spring Clean, which is set to be the country's biggest-ever mass-action environmental campaign.

Volunteers across the country will soon join forces to clean up litter pollution from our streets, parks and beaches, recycling as much as possible.

We’ve already exceeded last year’s total of 371,000 volunteers taking part, and we are on course to reach our target of 500,000 by Friday.

But we can't deliver the Great British Spring Clean without your amazing support on the ground. **Please show your support for the campaign and let us know if you'll be holding a clean-up event.**

Will your Town or Parish Council help clean up this country? “

5-Swansea-50 years as a City

The Clerk has received the following e mail from Swansea Council and Members views are sought as to whether the Town Council would wish to utilise the logo on its website or eg e-mails

“

I wanted to take this opportunity after Friday's launch event to thank you.

It was great to see so many businesses and organisations at the Liberty Stadium to support our celebrations, and I know that there were many more that while they were unable to attend on the day, are still up for supporting events throughout the year.

Our city's 50th anniversary is a fantastic milestone, and as a city we've so much to celebrate and to look forward to. We want to celebrate the people, places, events and businesses that have contributed to Swansea's history, particularly during the past 50 years. And we want to look forward to the many exciting developments planned for the city's future.

Our special 50 logo is there for you to use.

Businesses and organisations can add the logo to websites, emails, social media, posters, leaflets and banners

6-CND Cymru

The Clerk has received the following e mail and Members views are sought as to whether they would wish to pass a Resolution/Motion as set out in the third paragraph of the E mail

“Dear Councillors,

No Underground Nuclear Waste Dump in Wales

As you know, the government is currently looking for a Welsh community to “volunteer” to host an underground nuclear waste dump, officially described as a Geological Disposal Facility, to bury all the high-level nuclear waste from the UK’s nuclear weapons and nuclear power programmes. Any volunteering host community would be rewarded financially.

We believe that leaving a legacy of nuclear waste, which needs to be isolated from humans and the environment for tens of thousands of years, cannot be justified by short term financial gain; indeed, we are borrowing the present from our children and future generations. Further information on nuclear waste can be found on the attached leaflet.

We are writing to you to urge your council to pass a motion stating that your community will not volunteer to host an underground nuclear waste dump. CND Cymru will keep a record of every community, town, and county council that passes such a motion, and submit the list to the government's consultation as part of our submission to the consultation. From the end of March, this list will also be available on our website www.cndcymru.org and will be released to the media.

Please consider passing such a motion, and inform us heddwch@cndcymru.org if you do. If you would like any further information, please get in touch.

Yours faithfully,

Jill Evans MEP

C N D Cymru Chairperson “
