

Councillor Judith Williams

My husband and I moved to Loughor in 1977. Subsequently we had two children who attended local schools and are now both married with families living in Loughor.

I have three grandchildren one a teenager and two young children.

A retired lecturer, I worked in Coleg Sir Gar where I became the secretary of UCU (University and College Lecturers Union). I have always had an interest in politics and have been a member of the Labour Party for over forty years.

An active supporter of West Street Gym Club since my daughter was a gymnast herself, after retirement I have assisted in a range of administrative tasks.

As someone who has lived in Loughor for many years and, have children and grandchildren growing up in the community, I would like to build on the many successful projects built up by the Labour representatives who have gone before me
