

Councillor Kelly Roberts

My name is Kelly Roberts and I was honoured to be given the opportunity to serve the residents of lower Loughor as a Community Councillor in 2015.

I have always had an interest in public service. I worked at the DVLA for twelve years and after completing a Degree and Masters in Social Policy and Politics I became a Public Policy lecturer at Swansea University. I am now completing a PhD that will analyse the Concessionary Bus Pass and its links to health and well-being for older people. This public policy knowledge will serve me well in this position.

I was born in Loughor, attending Casllwchwr Primary School then Penyrheol Comprehensive School (as did my husband), and I am proud that my two children are doing the same.

I think I will make a good Community Councillor here in Loughor because I understand the areas needs and wants.

My main aims are very simple: to help keep Loughor a safe place for our children to play in, to help keep it clean and free from unwanted mess, and above all, to ensure that our great community is always served as it should be.
